PUBLIC UTILITIES COMMISSION
Investigation of Central Maine Power
Company's Stranded Costs, Transmission
and Distribution Utility Revenue Requirements,
and Rate Design

ORDER GRANTING
APPROVAL OF
CONTRACT
AMENDMENTS

On May 15, 2001, Central Maine Power Company (CMP or the Company) filed with this Commission proposed amendments to a number of its Customer Service Agreements (CSAs). These amendments were filed to comply with the Commission's May 3, 2001 Order on Reconsideration in the instant docket that requires CMP to reduce the distribution rates of certain CSAs by up to 0.8 ¢/kWh for the period April 15, 2001 through February 28, 2002.

In its May 3, 2001 Order, as allowed under 35-A M.R.S.A. § 107(4), the Commission delegated its authority to the Director (or Acting Director) of Technical Analysis to grant approval of CSAs filed in compliance with the Commission's March 28, 2001 and May 3, 2001 Orders in this Docket. I have reviewed the amendments to the following CSAs and found them to be in compliance with those Orders:

Barletta (Rocky Hill)	Kennebec Lumber	Robbins Lumber
Big Squaw Mountain	Kents Hill School	Rogers Farm
Bruce Dunham	Lavalley Lumber	Rynel Corp.
Camden Snow Bowl	Lost Valley	Rynel Corp. (Grow-Tech)
Casella Tires	Maine Metal Recycling	Saddleback Ski Area
Commercial Paving	Marine Spill Response	Saunders Mfg.
Cri-Sil	Maschino & Son Lumber	Shawnee Peak
Downeast Woodcrafters	Moosehead Wood Components ¹	Sheepscot Lumber
Driftwood Arts	Morgan Lumber	Sheldon Slate
Etheridge Foundry & Machine	Morse Brothers	St. Lawrence Cement
F.J. O'hara	Mount Abram Family Resort	Sugarloaf Mountain
Gagne & Sons	Northeast Doran	Sunday River Skiway
Great Northern Companies	Penley Corp.	Tukey Brothers Lumber
Greater Rumford Community Center	Pittsfield Woolen Yarns	Viking Lumber
Hammond Lumber	Preservation Wood	Wasco Products
J.A. Thurston	Quality Wood	York County Arena Assoc.
James Rattigan	R.E. Hemond	

¹ On May 18, 2001, CMP filed a Revised Amendment for this Moosehead Wood Components, replacing the version filed on May 15, 2001. This Order approves the Revised Amendment for Mitigation with Moosehead Wood Components filed by CMP on May 18, 2001.

Therefore, pursuant to my delegated authority, I will grant approval of these CSA amendments.² Because the copies filed with the Commission on May 15, 2001 were unsigned by the affected customers, my approval is conditioned on the final, executed versions being identical to the versions filed by the Company on May 15, 2001, modified only by inclusion of the signatures. The Company must file copies of the executed versions with this Commission upon their completion.

Dated at Augusta, Maine, this 22nd day of May, 2001.

BY ORDER OF THE ACTING
DIRECTOR OF TECHNICAL ANALYSIS

Faith Huntington

² The CSA amendments approved by this Order do not include all amendments submitted in the Company's May 15, 2001 filing. The amendments not approved herein will be addressed in a subsequent Order.
